Instructions for Self-Inspection for the Fiscal Year Ending March 2026

As announced in “FY26 Accounting Department Notice No. 1: Year-End Closing Procedures for the Fiscal Year Ending March 2026,” in order to ensure the reliability of financial reporting, each company is requested to conduct a self-assessment to confirm the penetration and level of understanding of the Group’s accounting policies, as well as whether accounting treatments at each company are aligned with those policies. In connection with this self-assessment, we will separately provide instructions outlining the specific details and procedures. Please review the contents carefully and ensure that you complete the required actions by the specified deadline.

1. Documents to Be Submitted

- Self-inspection supporting materials
- Self-inspection checklist for compliance with Accounting Standard No. 27 (Revenue Recognition Standard)
- Accounting standards briefing materials

Note: Detailed instructions are currently being prepared and will be sent separately.
