

(Self-Inspection No. 24)
Request for Information Sharing Regarding Asset Retirement Obligations

In preparation for the fiscal year-end closing for the fiscal year as of March 2026, and to ensure the reliability of financial reporting, we are implementing a thorough self-inspection process to ensure that our Group's accounting policies are fully understood and implemented. We are also verifying that financial reporting process at each company, including AW Headquarters, is consistent with our Group's accounting policies. As part of this self-inspection, we will be conducting a "Questionnaire on Asset Retirement Obligations" for eligible companies (*1) within our Group. We kindly request your cooperation in completing this questionnaire.
